Essentiality Certificate

Most of the posts sanctioned by Government in various Health Departments against the vacancy of Nurses remain vacant especially in rural/difficult areas due to critical shortage of Nurses-Human Resources availability in the state. The short fall of nurses is estimated to be 80% and this affects the coverage and quality of health services being provided by the Government to its citizens. The reason behind this is non availability of enough seats in nursing courses. By the enhancement of seats in nursing institutions, it will definitely improve the nurse man power in the state by producing diploma, graduate and post-graduate professionals which will minimize the deficiency of qualified nurses/faculty.

- 2- On careful consideration of the proposal the Himalayiya College of Nursing, Fatehpur Tanda, Majri Garnt, Jeevanwala, PO Doiwala, Dehradun, Uttarakhand, Government of Uttarakhand has decided to issue an essentiality certificate to start fresh course 55 seats for B.Sc.  - ii. A memorandum of understanding shall be signed between the applicant and the Medical Education Department, Uttarakhand Government for 50% State Quota in all nursing programs applied by the applicant.
 - iii. Institution will fulfill all the rule-regulation/norms of I.N.C, State Government, State Nursing Council and State Medical Faculty before admission otherwise state shall have the power to cancel the Essentiality Certificate/affiliation.
 - iv. The institute will take the permission/ affiliation from State Nursing Council and State Medical Faculty before admitting the students in enhanced seats or for new course.
 - v. The institute shall abide by the rule-regulations/norms issued by I.N.C, State Nursing Council and State Medical Faculty from time to time.
 - vi. The Institution shall Complete the all Norms (Faculty, Hostel, Fee fixation Etc.) before I.N.C. Inspection Otherwise Essentiality Automatically will be deemed as cancelled.
 - vii. The Institution will provide affidavit regarding land and building along with the approved map to the Director of Medical Education prior to the inspection of I.N.C.
